

## Product notes

Clivo exterior LED spotlight. An extremely versatile, small spotlight with adjustable focus and direction providing a warm light.

This Italian made fitting has an adjustable focus optic to allow different beam angles of between 8° - 50° even after installation.

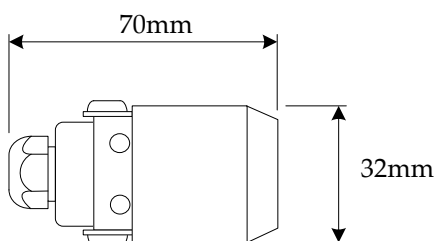

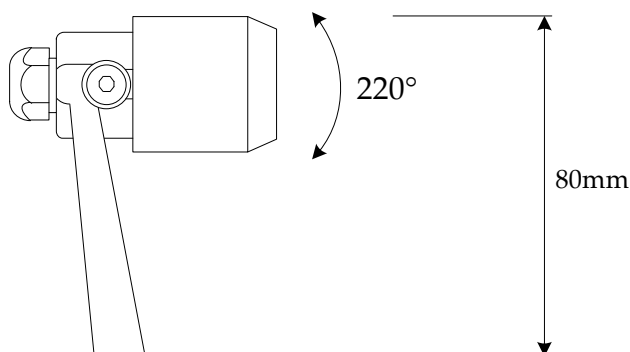

Brass case. Available in a choice of two finishes and light output colours.

Suitable for all types of spotlight applications including exterior.

A stainless steel mounting spike can be supplied if installing in flowerbeds or other soft areas.
